

Instructions for the WP sessions

WP leaders lead the afternoon session dedicated work packages WP1-WP5

WP meetings are in the third and fourth floor in rooms:

- WP1: Fasaani
- WP2: Pelikaani 1
- WP3: Strutsi
- WP4: Flamingo 1
- WP5: Kurki

WP leaders

- present the primary research themes pursued within the WP
- discuss the significance of the WP research goals in the context of the Photonics Flagship Research Roadmap goals
- showcase recent advances
- highlight ongoing projects
- explore how these themes contribute to the future directions of the flagship research activities

Discussion with all WP event attendees

- to identify potential (new) collaborative topics in the WP
- to plan collaboration and events fostering collaboration in 2025
